

# Transparent LED Screen

## PRODUCT FEATURES:

- Multi cabinet designs for different installations and applications.  
 Frameless cabinet for store window, it makes window more elegant and increases transparency.  
 Die-casting aluminum cabinet is suitable for rental.  
 1000mm\*1000mm big cabinet ensures installation easier and fast, reduces goods cost as well.  
 Silver color cabinet is available.
- Brightness: 800nit-5000nit to match indoor and facing outdoor installation.
- Different pixel pitch for choosing: From P2.6mm to P15.6mm.
- All led lamps applied Nationstar lamp, it enhances product quality and reliability.
- Product in stock for quick delivery. We prepared P2.5-5.2 and P3.9-7.8 in stock all year for quick delivery.

## APPLICATION:

Glass video wall Stage event background Shopping mall advertising screen

## CASES

## TECHNICAL SPECIFICATIONS

Pixel pitch (mm)	2.6-5.2	2.84-5.62	3.9-7.8	7.8	10.4	15.6
Pixel configuration	SMD1921 SMD1920	SMD1921 SMD2020	SMD1921 SMD2020	SMD1921 SMD2020	SMD1921 SMD2020	SMD3535 SMD2727
Pixel Density (Pixels/m <sup>2</sup> )	73728	61952	32768	16384	9216	4096
Brightness (nit)	≥5000 ≥1500	≥5000 ≥1500	≥4500 ≥800	≥5000 ≥1200	≥5000 ≥1200	≥5000 ≥3500
Cabinet size (mm)	1000*500 /1000*1000					
Module size (mm)	500*125					
Weight (kg/m <sup>2</sup> )	≤15					
Cabinet material	Steel / Die-casting Aluminum					
Refresh rate (Hz)	1920-3840					
Input voltage (V)	110-240					
Input power frequency (Hz)	50/60					
Max input power (W/m <sup>2</sup> )	800					
Lifespan (H)	50000					
Storage temperature	-20° C - 60° C					
Warranty	2 Years
